

ABOUT

Karunalya Social Welfare Foundation (Foundation) was founded in a humble manner at a Housing Board colony of Kudi Bhagtasni village of Jodhpur in 2020 by a group of development activists. The foundation was formed for the holistic development of communities living in urban slums and rural villages of Rajasthan, India. The foundation has a great amount of faith in working on issues related to human rights, inequality, and rural development with active participation of slums and rural communities. The organization strives to promote the educational, economic, social, and cultural development of the poor and weaker sections of society.

MISSION

Our goal is to work for underprivileged and vulnerable sections of the community for their holistic development

The future depends on
what you do today
